			Other Activity Asserted: £750 - Due to FIAT withdrawals not being processed timely by FTX on the days leading up to its shut down i was imposed the withdrawal charges. in order for me to withdraw the fiat, the amount had to be (as per ftx customer support on telegram) broken down into a number of smaller withdrawals. This resulted in me paying withdrawal charges. I believe i paid 3xE250=E750 This is purely due to the FTX unable to cope with the traffic on the day, it is not my fault that i had to attempt to withdraw my funds over the few days and in 20 or so small withdrawals. This all have been documented on my ftx statements. I also raised this issue the issue via official ftx support on ftx website/account. If i was able to log into my account i could provide you with a screenshot of the matter. Thanks			0.0000000000000000

Their convincing marketing via high-profile athletes/celebrities repeatedly deemed FTX US as a reputable and trusted entity to start investing and a safe place to hold your money. FTX.US and its affiliates promoted and encouraged investing and trading within this space and this platform additionally made depositing/investing conveniently easy and extremely efficient. 100% of these funds invested into FTX.US were never regained due to its eventual collapse. Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. The claimant asserts post-petition deposits which are not part of the claimant's petition date customer entitlement claim. Post-petition deposits should be claimed as a separate administrative claim in accordance with procedures established by the Court by way of the Debtors' Plan of Reorganization. Accordingly, the Debtors seek to modify the asserted claim to match their books and records.
